- All statements are public documents.
- General purpose recipient committees may be required to file a supplemental pre-election statement if contributions totaling \$10,000 or more are made in connection with an election held in 2007. (Major donor committees are not required to file a supplemental pre-election statement.)
- If a general purpose recipient committee or major donor/independent expenditure committee makes independent expenditures totaling \$1,000 or more in connection with a 2007 election, additional reports may be triggered. Contact the FPPC for assistance.
- Contributions to state candidates, political parties and state committees may trigger reporting as a state committee rather than a county committee. State
